## Computer Services Rate Sheet

**Diagnostic Fee (In Shop Work Only) \$ 49.00/unit**

All systems inspected by our technician will require a \$49.00 diagnostic fee minimum. This fee will be credited to any work authorized by the customer.

**In-Shop Services \$ 55.00/hour**

In-shop service (customer drop-off and pickup) is charged a rate of \$55.00 per hour. Customer will be provided an estimate of charges prior to the work being performed. All work will require customer authorization. If the customer declines service, a minimum \$49.00 diagnostic fee is required.

**On-Site Services \$ 65.00/hour**

On-Site service (ATS technician performs services at customer location) is charged a rate of \$65.00 per hour. A minimum charge of 1 hour (\$65.00) will apply. There is no trip charge, provided the customer location is within a 15-mile radius of the ATS location.

**Virus/Spyware Removal \$ 82.50 minimum**

Due to the complexity of virus and spyware removal, minimum charge is \$82.50. In most cases, this service can be performed for the minimum charge. Additional time may be required if extensive infection is present. Customer will be notified in advance if removal exceeds the minimum.

**Computer Delivery/Setup \$ 35.00/workstation**

ATS Computers provides delivery of ATS computers and/or setup of any brand computer systems for a fee of \$35.00. This fee includes delivery (if applicable), unpacking and setup of a standard computer workstation (computer, monitor, keyboard, mouse and speakers) at the customer site. Any other services that are needed will be billed at the on-site rate of \$65.00 per hour.

### Component Installation

Computer components such as CD ROMs, Memory, Hard Drives, etc. are generally \$15.00 per component installation fee. This fee may vary depending upon the extent of the total work being performed.
